BORMA WACHS®
Wood Professional Cosmetics
& Eco-Finishes

Company

We manufacture professional wood cosmetics for an eco-friendly way of life.

For decades BORMA WACHS has been working in the wood care and synthetic surface treatment sector with a sense of responsibility and constant commitment to pursuing three fundamental principles: quality, reliability and flexibility. The dynamism, production capacity, safety and marketability of our products characterise our company profile. As specialists in the professional cosmetics of wood and synthetic surfaces, we offer our customers only the best of the best.

Certifications

Our products and manufacturing cycles are regularly tested and approved by international institutes.

VOC FREE

All Borma Wachs branded products comply with the latest European legislation on emissions of potentially harmful substances into the atmosphere and have total regard for the environment and the health and wellbeing of our workers and our customers. With the new ECO PREMIUM - VOC FREE line we are able to offer an uncompromising range, with 100% natural and biodegradable products, with a VOC content reduced to zero.

IBR CERTIFICATIONS

Borma Wachs products are tested and approved by the Rosenheim Institute for Green Building. The analyses carried out certify our products regarding the content of VOC's, biocides, heavy metals and radioactive material guaranteeing their eco-compatibility with the principles of Green Building. The Company always aims to understand the needs and sensitivity of customers, trying to better interpret the request for sustainable and environmentally friendly treatments coming from the use of renewable raw materials, in order to reduce as much as possible the impact on environment and on the health of users and all stakeholders in our communities.

EN71.III CERTIFICATION

The Danish laboratories of Eurofins have recognised the compliance of Borma Wachs oils with the EN 71- III regulation on the migration of heavy metals harmful to health, ensuring the safety of the treatments to the point of allowing their use for finishing or maintenance of toys for children.

Touch-Up & Fillers

A Journey to Perfection

Imperfections, whether natural or generated in the process of woodworking, or during normal use of wooden objects can all be repaired using special products chosen according to the type of the defect. Touch-Up is the art of perfection. These products, created due to Borma's vast experience in the field, have high added and calculable value and are easy to use.

Da sempre specializzati nella cosmesi professionale del legno, offriamo un servizio colore a campione per tutti i materiali da ritocco, avendo già tra i nostri clienti numerose aziende leader. Seguendo anche le ultime tendenze nel mercato dell'arredamento moderno, abbiamo implementato nella nostra linea i due seguenti assortimenti di colori.

As a long-term specialist in wood cosmetics we offer a bespoke colour matching service on request and count some of the biggest industry names amongst our bespoke colour customers'. We steadfastly follow the most on-trend furniture and colour fashions to ensure we stay 'current'. We have two standard colour assortments.

Als Unternehmen, das schon immer auf die Verschönerung von Holz spezialisiert ist und vie le der bedeutendsten Firmen zu seinen Kunden zählt, bieten wir auf Anfrage die Möglichkeit, ein Muster für das gesamte nachzubessernde Material zu erstellen. Um außerdem dem Trend im Sektor der modernen Möbel entgegenzukommen, haben wir unsere Angebotspa lette um die beiden nachfolgenden Farbsortimente erweitert.

Depuis toujours spécialisés dans le traitement du bois, nous offrons sur demande le service à échantillon pour tout le matériel de retouche, comptant parmi nos clients de nombreuses entreprises de grande importance. En outre, pour suivre les tendances de l'industrie du meuble, nous avons voulu élargir notre gamme avec les deux assortiments de couleur ci-dessous.

Desde siempre especializados en la cosmética para la madera, ofrecemos bajo solicitud el servicio de muestras para todo el material de retoque, pudiendo contar entre nuestros distinguidos clientes con numerosas empresas de gran prestigio. Siguiendo las tendencias del sector del mueble moderno, hemos querido implementar nuestra gama con dos gamas de colores.

Мы многие годы занимаемся производством материалов для реставрации мебели и экологически чистой отделки изделий из древесины и можем гордиться наличием среди наших клиентов многих известных компаний. По заявке мы предоставляем образцы всех реставрационных материалов. Кроме того, с учетом тенденций в отрасли современной мебели мы дополнили цветовую гамму наших товаров двумя ассортиментами цветов.
